2. The name of our small group will be ...

3. Visit <http://bit.ly/431-2019-studyA-survey-first15> and look at these six items. We'll set up the form to reject unreasonable responses (**data validation**), so what does your group think we should set as the minimum and maximum permitted responses?

Item	Description of Item	Minimum Permitted Response	Maximum Permitted Response
8	In what year were you born?		
10	For how long, in months, have you lived in Northeast Ohio?		
11	What is your height, in inches? (Convert from cm to inches by multiplying cm by 0.3937)		
12	What is your weight, in pounds? (Convert from kg to pounds by multiplying kg by 2.2046)		
13	What is your pulse rate, in beats per minute?		
15	Last night, how many hours of sleep did you get?
